

Introduction

- ❖ **What is The Ability Network (TAN)?**
 - **A national digital ecosystem, launched by Tech Mahindra Foundation, aimed at bridging the gap between persons with disabilities (PwDs), their caregivers, and verified solution providers.**
- ❖ **Bridges the gap between PwDs, caregivers, and verified solution providers.**
- ❖ **Vision:**
 - **Empower PwDs to live with dignity and independence.**

Background & Rationale

- ❖ **India has 70–80 million PwDs with limited centralized support.**
- ❖ **Identified Gaps:**
 - **Disconnected services (healthcare, education, training, etc...).**
 - **Limited awareness of schemes and support systems.**

Founding & Partners

❖ **Lead Partner:**

- **Tech Mahindra Foundation.**

❖ **Co-creation Network:**

- **EnableIndia, Ujwal Impact Advisors, Nayi Dis
ha, EkStep Foundation.**

❖ **Institutional Support:**

- **Ministry of Social Justice & Empowerment.**

Platform Overview

- ❖ **Access via website and mobile app with multilingual/audio-text support.**
- ❖ **User Flows:**
 - **PwDs & caregivers search for services.**
 - **Verified providers onboarded.**
- ❖ **Initial rollout:**
 - **Telangana & Bengaluru.**

Key Features

- ❖ **Curated & Verified:**

- Only credible providers listed.

- ❖ **Inclusive & Accessible:**

- Multilingual, audio/text, chat support.

- ❖ **Ecosystem Building:**

- Connects NGOs, startups, govt., funders, caregivers.

Benefits & Impact

❖ For PwDs & Caregivers:

- **Easy discovery of services, education, employment.**

- **For Providers:**

- **Visibility and collaboration opportunities.**

❖ For Society:

- **Promotes inclusion and mainstream participation.**

Roadmap & Future Plans

❖ Phase 1:

- Telangana & Bengaluru, select disability segments.

❖ Phase 2:

- Pan-India, covering all 21 RPwD-recognized disabilities.

❖ Feature Expansion:

- WhatsApp chatbot, community tools, gov. Integration.

Call to Action

❖ **PwDs & Caregivers:**

- **Use the platform to find verified support.**

❖ **Solution Providers:**

- **Register via 'Join as a Solution Provider'.**

❖ **Corporates & Funders:**

- **Partner to scale and support tech development.**
